Final Group Evaluation

Guidelines

This is an opportunity for you to provide feedback to the TAs and me about whether your group members all did a fair share of the work on the project. That is the only issue you should address. *This is not a forum for negative personal comments. If you engage in disrespectful and/or personal criticisms of group members, I reserve the right to lower your grade for the project.* Because the groups are small, we cannot guarantee anonymity for your comments.

I will discuss this process further in lecture on Wednesday, November 9th.

SUBMISSION OF THIS COMPLETED FORM IS REQUIRED. IF YOU DO NOT SUBMIT THIS FORM, YOU WILL NOT RECEIVE A GRADE FOR THE COURSE UNTIL YOU TURN IT IN. THERE ARE ABSOLUTELY NO EXCEPTIONS TO THIS RULE.

The form is due on Thursday, December 8th at 11:30 am. This is the same deadline for the rest of the final assignment. Create a directory named *evaluations* on the server. Upload the file to that directory. Name the file [Name]GroupEval.[extension] in either Word or PDF format. So, for example, my file would be PalingGroupEval.pdf or PalingGroupEval.docx.
